3 to 20 fpm variable feeding speed. Steel frame and heavy-duty base for greater stability. High quality conveyor belt for longer service life. Magnetic safety switch. 2 HP motor.

15-250 M1  
**\$2,389.99**  
 reg. \$2,990.00

**24" horizontal double drum sander - 3 HP**

Two 5" diameter aluminum drums. High quality conveyor belt for long service life. Magnetic safety switch. 3 to 20 fpm variable feeding speed (conveyor belt). 3 HP motor.

# Sanders & Grinders

15-005S M1  
**\$1,099.99**  
 reg. \$1,349.00

**6" x 89" oscillating vertical edge belt sander**

Oscillating feature. Sanding belt operates at any angle from horizontal to vertical. Graphite covered steel platen for reduced friction and extended belt life. 1 1/2 HP motor.

**6" x 89" edge belt sander**  
 Same features as model 15-005S M1 without oscillating feature.

15-005 M1  
**\$979.99**  
 reg. \$1,259.00

Entire head moves up and down (not just the belt) to maximize belt life and minimize tracking adjustments. Inward and outward tilting adjustable height steel auxiliary end table. Graphite backing reduces friction for longer belt life.

**6" x 108" oscillating vertical edge belt sander**

Oscillating feature. Tables can be adjusted up or down for full belt use. Graphite backing reduces belt friction for longer belt life. Dynamically balanced 7" rubber drive roller and crowned 3" idler roller to ensure solid belt tracking. 2 HP motor.

**6" x 108" edge belt sander**  
 Same features as model 15-010S M1 without oscillating feature.

15-010 M1  
**\$1,899.99**  
 reg. \$2,375.00

15-010S M1  
**\$2,259.99**  
 reg. \$2,750.00

15-210 M1  
**\$2,999.99**  
 reg. \$3,995.00

**6" x 108" oscillating vertical edge belt sander**

3250 lin. fpm belt speed. 2 HP motor.

15-310 M1  
**\$4,499.99**  
 reg. \$5,900.00

**9 1/2" x 135 1/2" oscillating vertical edge belt sander**

4000 lin. fpm belt speed. 3 HP motor.

15-232 M1  
**\$209.99**  
 reg. \$269.00

**1 3/4" x 32" belt sander / 6" grinder**

Belt sander operates horizontally, vertically and can be locked at any angle in between. 3450 rpm grinding speed. 4900 fpm belt speed. 1/2 HP motor.

15-825 M1  
**\$179.99**  
 reg. \$225.00

**8" low speed bench grinder**

Low 1725 rpm. Double sealed ball-bearing construction. Adjustable cast tool rests. 1/2 HP motor.

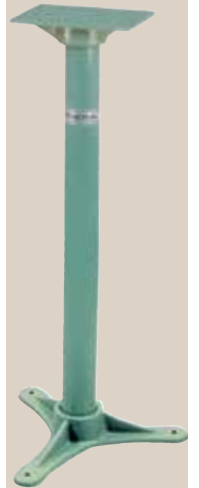

15-660 M1  
**\$149.99**  
 reg. \$190.00

**6" variable speed bench grinder**

Variable speed from 2000 to 3450 rpm for grinding or sharpening. Double sealed ball-bearing construction. 110 V motor.

Heavy-duty 34" stand for 6", 8" & 10" bench grinders

15-700  
**\$69.99**  
 reg. \$85.00

15-205 M1  
**\$1,459.99**  
 reg. \$1,799.00

**15" disc sander**

Powerful 2 HP motor with built-in brake. Rear wraparound and front 1/2 disc steel guards. 0° to 45° tilting cast-iron table. Magnetic safety switch with extra-large stop panel and lock-out key.

15-015 M1  
**\$969.99**  
 reg. \$1,275.00

**6" x 48" belt & 12" disc sander**

Sanding belt operates at any angle from horizontal to vertical. Tilting cast-iron tables. Belt speed of 1570 lin. fpm. Disc speed of 2000 rpm. 1 HP, 110/220 V motor.

Lower belt guard

50-025  
**\$67.99**  
 reg. \$95.00

500 lb load capacity

**Universal mobile base**

Heavy-duty 3" wheels. Rubber levelling feet (2). Adjustment in 1" increments.

15-035DC M1  
**\$1,429.99**  
 reg. \$1,800.00

**6" x 48" belt & 12" disc sander with built-in dust collector**

Sanding belt operates at any angle from horizontal to vertical with positive stops at 90° & 45°. Two large surface, cast-iron, tilting tables for unlimited sanding operations. Heavy-duty enclosed cabinet. 2250 lin. fpm belt speed. 1750 rpm disc speed. Heavy-duty model - 365 lbs. 1 1/2 HP, 110/220 V motor.

Built-in dust collector

15-220 M1  
**\$489.99**  
 reg. \$585.00

Tilting table

**Oscillating spindle sander bench top model**

**Precision ground cast-iron tilting table.** 29 oscillations per minute. 5 interchangeable spindles including 1/4", 1/2", 3/8", 1 1/2" & 2". 1720 rpm spindle speed. 1/2 HP motor.

15-020 M1  
**\$1,374.99**  
 reg. \$1,789.00

Tilting table

**Oscillating spindle sander floor model**

**Heavy-duty oil bath gearbox.** 75 oscillations per minute. 10 interchangeable spindles including 1/4", 3/8", 1/2", 5/8", 3/4", 1", 1 1/2", 2", 3" & 4". 1725 rpm spindle speed. 1 HP motor.

10-630  
**\$369.99**  
 reg. \$495.00

**30" oscillating pedestal fan - 3 speeds**

**Adjustable height (69 1/4" to 93 3/4").** Wide stable steel base plate. Quiet operation. 3 speed settings : 800, 950 & 1100 rpm. 1/4 HP motor.

# Sanders, Jointers & Shapers

80-100L M1  
**\$899.99**  
 reg. \$1,100.00

**6" closed base jointer**

**55 1/4" long tables.** Large surface, ground cast-iron tables. Cast-iron fence with 90° & 45° positive stops. Independent in-feed and out-feed table adjustment handwheels. 5000 rpm cutter head speed. 1 HP motor.

**6" closed base jointer with Magnum helical head**

Same features as model 80-100L M1+ Magnum helical head, #100H (4 rows, total: 16 inserts).

80-100LHC M1  
**\$1,399.99**  
 reg. \$1,800.00

80-200L M1  
**\$2,099.99**  
 reg. \$2,600.00

**8" jointer**

**74 7/8" long tables.** Large surface, ground cast-iron tables. Independent in-feed and out-feed table adjustment handwheels. Magnetic switch for added safety. 5500 rpm cutter head speed. 2 HP motor.

**8" jointer with Byrd style helical head**

Same features as model 80-200L M1+ Byrd helical head, #200HB (4 rows, total: 36 inserts).

80-200LHC M1  
**\$2,749.99**  
 reg. \$3,350.00

480-1-M2  
**\$2,599.99**  
 reg. \$4,625.00

Limited Quantities  
 While supplies last

**Deluxe 8" jointer**

**74" long tables.** Precision-machined and polished, high quality, heavy-duty, ribbed cast-iron frame. One-piece, top-quality machined steel cutter head, mounted on 2 sealed, permanently lubricated bearings. Highly accurate guide fence. 1 1/2 HP motor.

**Deluxe 8" jointer with Magnum helical head**

Same features as model 480-1-M2 + 2 HP motor and Magnum helical head, #485H (4 rows, total: 22 inserts).

480-1-M2HC  
**\$3,299.99**  
 reg. \$5,570.00

40-250 M1  
**\$1,649.99**  
 reg. \$2,150.00

**3/4" spindle shaper**  
 1/4" & 1/2" router bit adapters included.  
 2 spindle speeds with reverse: 8000 & 10,000 rpm. Fence system / cutter head guard includes a cutter guard, spring hold-downs and a built-in 4" dust collection outlet. 3 HP motor.

40-350 M1  
**\$3,529.99**  
 reg. \$4,500.00

**1 1/4" production shaper**  
 4 spindle speeds with reverse: 4000, 6000, 8000 & 10,000 rpm. Magnetic switch with thermal overload protection. Built-in retractable caster system. 5 HP motor.

40-450 M1, M2, M3  
**\$5,199.99**  
 reg. \$6,550.00

**1 1/4" heavy-duty production shaper**  
 5 spindle speeds with reverse: 3000, 4000, 6000, 8000, & 10 000 rpm. Independent left and right micro-adjustable fences, with a cutter guard, spring hold-downs and a built-in 4" dust collection outlet. Magnetic switch with thermal overload protection. 5 HP motor (M1) / 7 1/2 HP motor (M2 & M3).

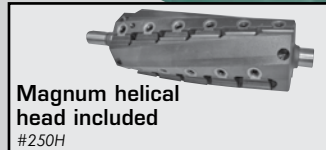

80-075L M1  
**\$769.99**  
 reg. \$890.00

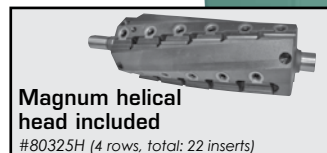

**6" jointer**  
 55 1/4" long tables. Large surface, ground cast-iron tables. Heavy-duty, three-knife cutter head. Jack-screw system for quick, easy knife adjustment. 5000 rpm cutter head speed. 1 HP motor.

80-250XHC M1  
**\$3,799.99**  
 reg. \$5,650.00

Magnum helical head included  
 #250H

80-225HC M1  
**\$3,569.99**  
 reg. \$4,400.00

Magnum helical head included  
 #80325H (4 rows, total: 22 inserts)

**8" parallelogram jointer**  
 Large surface 82 7/8" cast-iron tables. Heavy-duty center-mounted cast-iron fence with 45°, 90° and 135° positive stops. Precision four point parallelogram table adjustment system. Magnetic safety switch mounted above the in-feed table for quick, easy access. 5000 rpm cutter head speed. 3 HP motor.

**10" jointer**  
 Large surface, precision ground 84 1/4" cast-iron tables with built-in rabbeting ledge. Handwheel adjustable in-feed and out-feed tables mounted on dovetailed ways. Accurate depth of cut scale in inches. Two way tilting fence with positive stops at 45° and 90°. 5500 rpm cutter head speed. 3 HP motor.

**75-040 M1**  
**\$389.99**  
 reg. \$560.00

4 chisel & bit sets included

Convenient tool holder

**5/8" hollow chisel mortiser**  
 1/4", 5/16", 3/8" & 1/2" chisel & bit sets included. Includes sleeves for both 5/8" and 3/4" chisel shanks. Large table with telescopic extensions. Heavy-duty cast-iron construction. 1/2 HP TEFC motor.

**75-050T M1**  
**\$629.99**  
 reg. \$790.00

4 chisel & bit sets included

Tilting head

**5/8" hollow chisel mortiser**  
 1/4", 5/16", 3/8" & 1/2" chisel & bit sets included. Includes sleeves for both 5/8" and 3/4" chisel shanks. Features a tilting head (30° left & right) with a 180° swivel. 1/2 HP TEFC motor.

**75-075 M1**  
**\$1,249.99**  
 reg. \$1,590.00

4 chisel & bit sets included

Adjustable swivel fence

**1" hollow chisel mortiser**  
 1/4", 3/8", 1/2" & 3/4" chisel & bit sets included. Heavy-duty cast-iron construction. Lateral and longitudinal table movement. Tilting head and swivel fence. 1 HP motor.

**Optional closed stand for mortiser**  
 For 75-050T & 75-075 only

**75-070**  
**\$290.99**  
 reg. \$340.00

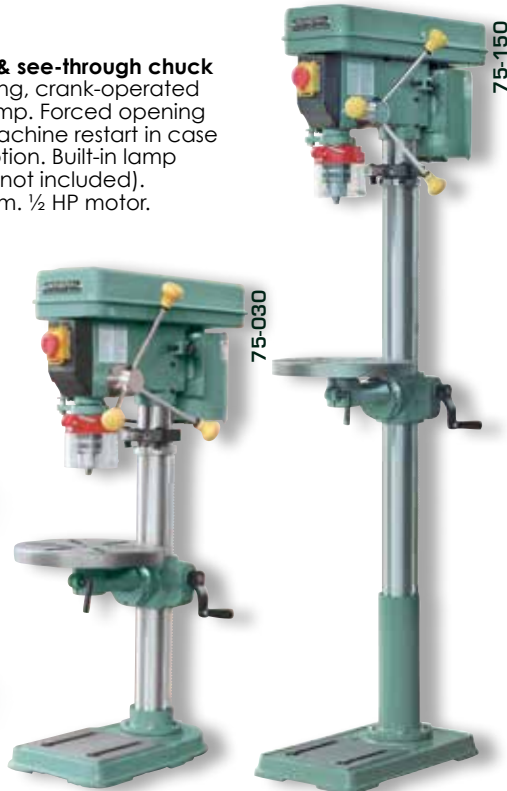

**Set of 2 mortiser table rollers**

**75-055**  
**\$34.99**  
 reg. \$56.85

# Mortisers & Drill Presses

**14" drill presses**  
 5/8" chuck with key, laser pointer & see-through chuck guard included. Rotating, 45° tilting, crank-operated worktable with quick release clamp. Forced opening line interrupter switch, requires machine restart in case of power failure or circuit interruption. Built-in lamp illuminates the drilling area (bulb not included). 12 spindle speeds: 280 to 3000 rpm. 1/2 HP motor.

**75-030 M1**  
 Bench top model  
**\$349.99**  
 reg. \$430.00

**75-150 M1**  
 Floor model  
**\$384.99**  
 reg. \$470.00

**75-550 M1**  
**\$629.99**  
 reg. \$780.00

**Radial arm drill press**  
 5/8" chuck with key & see-through chuck guard included. 3 1/8" spindle travel. 9 spindle speeds: 295 to 3580 rpm. Table swivel 360°. Forced opening line interrupter switch, requires machine restart in case of power failure or circuit interruption. Table extension provides additional support. 1/2 HP motor.

**Portable pocket hole jig**  
 Adjustable variable hole-to-centerline distances allows for different hole placement depending on width of stock. Cast base with 4 mounting holes. Durable 3/8" step drill bit with adjustable depth stop collar. Kit includes 25 each 3/8", 1", 1 1/4", 1 1/2" self-tapping screws.

**70-110**  
**\$79.99**  
 reg. \$127.00

**Heavy-duty drill press chuck guard**  
**\$127.99**  
 reg. \$185.00

**70-155** (55 mm):  
 for 75-025, 75-030, 75-125, 75-150, 75-160 & 75-550

**70-165** (65 mm):  
 for 75-100 & 75-200

**70-175** (75 mm):  
 for 75-260, 75-500 & 75-700

**Laser pointer for drill press**

**70-300**  
**\$14.99**  
 reg. \$25.40

Shown with  
drill bits  
(not included)

75-440 M1  
**\$1,779.99**  
reg. \$2,200.00

### 13 spindle boring machine

Fully adjustable fence system with easy to read scales in both inches and metric. Work stops on either end of the fence allow operator to line up work from the left or right for performing parallel boring patterns. Open base steel stand included. 3450 rpm spindle speed. Powerful 1 1/2 HP motor delivers plenty of power and speed for multiple hole boring even in the toughest laminates.

**INCLUDED**  
with the purchase  
of 75-450A M1 only

Flip down  
hinge insertion  
plate included.

75-450 M1  
**\$1,849.99**  
reg. \$2,400.00

### Hinge boring / Inserting machine

Standard blum style hinge boring kit with 1 x 35 mm and 2 x 8 mm bits included. 4 quick-set workpiece stops included. Large fence with two extension bars, extends to accommodate stock from 66 1/8" to 105 1/2". 3450 rpm spindle speed. 1 HP motor delivers plenty of power and speed for hinge boring even in the toughest laminates.

75-200RC M1  
**\$549.99**  
reg. \$730.00

Line  
interrupter  
switch

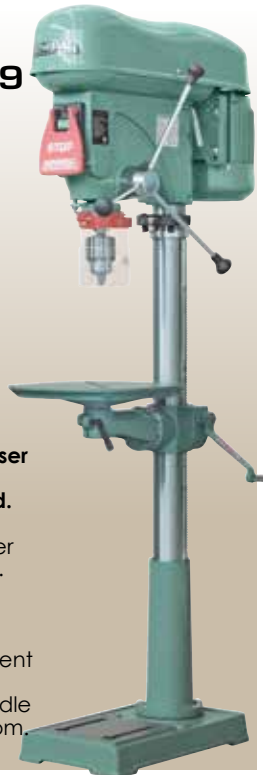

**17" drill press**  
5/8" chuck with key, laser pointer & see-through chuck guard included. Rotating, 45° tilting, crank-operated worktable with quick release clamp. Forced opening line interrupter switch, requires machine restart in case of power failure or circuit interruption. 12 spindle speeds: 340 to 2800 rpm. 3/4 HP motor.

75-260 M1  
**\$759.99**  
reg. \$975.00

### 17" extended stroke drill press

3/4" chuck with key, laser pointer & see-through chuck guard included. Extra long 6" quill stroke drills deeper than most drill presses. Large front mounted paddle style stop switch with lock-out safety feature to prevent unwanted or unintentional start-up. 12 spindle speeds: 255 to 2750 rpm. 1 HP motor.

### 22" drill press

3/4" chuck with key, laser pointer & see-through swing-away chuck guard with safety Interlock – shuts off automatically when opened. Cast-iron pulleys reduce vibration. Large front mounted paddle style stop switch with lock-out safety feature to prevent unintentional start-up. Industrial 1 HP motor.

75-500 M1  
**\$959.99**  
reg. \$1,270.00

### Mortising attachment kit Convert almost any drill press into a mortiser in minutes!

Contents: Mounting hardware. Cast-iron chisel holder. Guide fence with workpiece hold down. 4 of the most commonly used mortising chisel and bit sets with 5/8" bit shank x 1/4", 5/16", 3/8" & 1/2". Includes 52, 55, 58, 60, 65 and 66 mm adapter bushings.

70-905  
**\$149.99**  
reg. \$219.00

40-946 M1

**\$7,999.<sup>99</sup>**

reg. \$9,500.<sup>00</sup>

\* Shown with optional 40-945 dust collection adapter kit.

### 24" x 36" CNC carving machine

Pendant style hand-held controller. Easy to learn i-Picture programming software. Large user friendly control panel with LCD display, keypad and USB 2.0 port for easy file transfers. Positional accuracy up to 0.001 inches & variable cutting speeds up to 118" per minute. High-frequency, 1 HP 24,000 RPM variable speed spindle and automatic on/off control. Aluminum table with integrated hold down clamps. Tool kit with starter cutting tools included. No external operating PC required. Sturdy open base steel stand included.

**\$59.99**

reg. \$69.00

#### Cyclonic tank kit

Ideal for small shops: Can be used with any shop vacuum or small dust collector with 1 1/2", 2 1/2" or 4" inlets, to create a portable 2-stage dust collection system.

#### Included accessories:

- (1) 6 gallon caster-mounted drum.
- (1) 2-stage cyclone/separator lid.
- (2) Hoses with 3 x 2 1/2" adapter fittings.
- (1) 2 1/2" - 4" reducer fitting.
- (1) 1 1/2" - 2 1/2" reducer fitting.
- (1) 4" clamp.
- (1) 2 1/2" clamp.

25' (7.5 m) measuring tape

#### Portable down draft table

**4" dust port connects to your shop dust collector.** 18 1/2" x 35 1/2" table with internal baffles. 6 adjustable stops. Sturdy steel frame and lightweight design.

10-300 M1

**\$384.99**

reg. \$465.00

#### 10 gallon wet / dry vacuum cleaner

**Stainless steel tank 10 gallon capacity.**

Rated for heavy-duty maintenance & janitorial use. 2 stage air filtration. 1/2 HP motor with 2 speeds.

#### Included accessories:

- Flexible 6' hose with curved end pipe (#10-306).
- 2 piece extension wand (#10-309).
- Crevice nozzle (#10-310).
- 12" wide brush nozzle (#10-314).
- Professional wet nozzle (#10-323).
- Canister filter (#10-332).
- Cloth filter (#10-334).
- Round brush nozzle (#10300-11B).
- Wet nozzle (#10300-35B).

10-700 M1

**\$929.99**

reg. \$1,200.00

#### Down draft table

**Provides a higher level of safety and convenience by collecting dust at the source.** Steel top with rubber grommets to hold and protect the work piece. Two onboard 110 V electrical outlets.
